Applications		Digital Power Meter									Digital Protection Relay								
		Product name	Product Image	Power Quality	DC measurement	Leakage current measurement	I/O	Communication		Display	Product name	Product Image	Communication		Usage purpose(Protection)			Power Quality	Display
								Ethernet	RS-485				Ethernet	RS-485	Feeder	TR	Motor		
Switchgear	High/Low-voltage switchgear	Accura 3700		●			●	●	●	Color TFT LCD	Accura 7300		●	●	●		●	●	Color TFT LCD
		Accura 3500E					●	●	●	Custom LCD	Accura 7500			●	●		●		FND
		Accura 3500					●	●	●	FND									
		Accura 3300E							●	Custom LCD									
		Accura 3000*							●	FND									
	Rectifier switchgear	Accura 3700		●	●**		●	●	●	Color TFT LCD									
		Accura 3550			●**		●	●	●	FND									
Branch line measurement (MCCB panel, distribution panel)		Accura 2500/2550		●	●	●***	●****	●	●	Color TFT LCD									
		Accura 2300S/2350		●	●	●****	●	●	●	Custom LCD									
		Accura 2300/2350		●	●	●****	●	●	●	Custom LCD									
MCC											Accura 2700/2750		●	●			●	●	Color TFT LCD

* The device does not provide harmonic data.
**It supports DC measurements with the DC module.
*** It supports leakage current measurement with the Accura 2550CMZ module.
**** It supports leakage current measurement with external ZCTs.
