

Product Selection Guide

* Click on the product name to navigate to the catalogue download page.

| Applications | | Digital Power Meter | | | | | | | | Digital Protection Relay | | | | | | | | | |
|--|-----------------------------|---------------------|---|---------------|----------------|-----------------------------|-------|---------------|--------|--------------------------|---|---|---------------------------|--------|--------|---------------|---------|---------------|-------|
| | | Product name | Product Image | Power Quality | DC measurement | Leakage current measurement | I/O | Communication | | Display | Product name | Product Image | Usage purpose(Protection) | | | Power Quality | Display | | |
| | | | | | | | | Ethernet | RS-485 | | | | Ethernet | RS-485 | Feeder | | | TR | Motor |
| Switchgear | High/Low-voltage switchgear | Accura 3700 |  | ● | | | ● | ● | ● | Color TFT LCD | Accura 7500 |  | | ● | ● | | ● | | FND |
| | | Accura 3500E |  | | | | ● | ● | ● | Custom LCD | | | | | | | | | |
| | | Accura 3500 |  | | | | ● | ● | ● | FND | | | | | | | | | |
| | | Accura 3300E |  | | | | | | ● | Custom LCD | | | | | | | | | |
| | | Accura 3000* |  | | | | | | ● | FND | | | | | | | | | |
| Rectifier switchgear | | Accura 3700 |  | ● | ●** | | ● | ● | ● | Color TFT LCD | | | | | | | | | |
| | | Accura 3550 |  | | ●** | | ● | ● | ● | FND | | | | | | | | | |
| Branch line measurement (MCCB panel, distribution panel) | | Accura 2500/2550 |  | ● | ● | ●*** | ●**** | ● | ● | Color TFT LCD | | | | | | | | | |
| | | Accura 2300S/2350 |  | ● | ● | ●**** | ● | ● | ● | Custom LCD | | | | | | | | | |
| | | Accura 2300/2350 |  | ● | ● | ●**** | ● | ● | ● | Custom LCD | | | | | | | | | |
| MCC | | | | | | | | | | Accura 2700/2750 |  | ● | ● | | | ● | ● | Color TFT LCD | |

* The device does not provide harmonic data.
 **It supports DC measurements with the DC module.
 *** It supports leakage current measurement with the Accura 2550CMZ module.
 **** It supports leakage current measurement with external ZCTs.
